Vail Valley Medical Center

Dear Potential Sponsor,

We are excited to announce our third annual Summit Melanoma Golf Tournament presented by Vail, Aspen and Breckenridge Dermatology. The day is sure to be as exciting as last year as we continue to raise funds for melanoma awareness and research. We hope you will be able to join us on the Valley Course at The Club at Cordillera in the Vail Valley on August 18th, 2019 in Edwards, Colorado.

The proceeds from the tournament will support the Colorado Melanoma Foundation's project, The Sun Bus: a mobile melanoma and sun safety classroom that provides free education and skin screenings throughout Colorado. The Colorado Melanoma Foundation is a 501(c)(3) organization dedicated to the research, education, prevention and treatment of this ever-growing disease. For more information on the Colorado Melanoma Foundation or the Sun Bus project, please visit their respective websites at www.comelanoma.org and www.thesunbus.com. We are including a vendor sponsorship form and information, an event program and flyer, as well as a silent auction donation form with this letter. If you are unable to participate as an official sponsor but would still like to support the cause, please consider donating an item to our silent auction that will be on display in the Clubhouse throughout the day of the event (see silent auction donation form for additional information). 100% of the funds raised goes towards The Sun Bus project.

With the generous support of people like you, we hope to raise upwards of \$50,000 at the 2019 Summit Melanoma Golf Tournament! Our goal is to make this year the biggest year yet as we set out to make a difference in the Vail Valley and the state of Colorado. For any questions you may have, please feel free to contact us directly at knern@vaildermatology.com, tnern@vaildermatology.com, neil.box@ucdenver.edu, or amason@troon.com

Thank you for your interest and consideration. We look forward to having you join us for the 2019 Summit Melanoma Golf Tournament.

Sincerely,

Dr. Karen Nern, MD
